Girls for a Change  
Tax-Exempt Status Reinstatement

Dear Administrator,

This letter is being submitted on behalf of Girls for a Change in conjunction with the Organization's request to have its 501c(3) tax exempt status reinstated.

The Organization has submitted all of the required Forms 990 for the years 2018 through 2021 in a timely manner, in compliance with the filing deadlines. However, due to some processing issues, the submissions were not recognized by the IRS system; thereby causing the revocation of the Organization's tax-exempt status.

To ensure that the processing issues are addressed and will not occur in the future, the Organization has retained my services for the ongoing filing of the Forms 990. I am aware of the electronic filing requirements for the Form 990 and my systems are designed to maintain compliance with the IRS requirements.

Based on the Organization's positive standing in the community it serves and the numerous projects that are currently underway, I respectfully request that the tax-exempt status for Girls for a Change be reinstated. This will help maintain the consistency of the positive influence the Organization continues to have in the lives of the girls touched by its programs.

Should you have questions or require additional information, please feel free to contact me at 804-262-5633 or via my mailing address located above.

Sincerely,

  
Jerome R. Clarke, CPA
